“ Heaven has a special woman. I will remember mom mom for her smile, her quick wit , teachings of manners and all the love she gave us and her great grandchildren. She was a remarkable woman which I am honored to have known. She welcomed me and made me feel like part of the family. Learned How to pick a blue crab in her living room. I'm quite good at it now...thank you mom mom! Will miss our conversations and disagreements. I respected you most for your old school ways and giving it to me straight. Here's to you mom mom! A long life, but a greater impact on us all. We will never forget you. Rest in peace, love you!

Aunt Louise was always so generous. Whether it was a niece or a nephew, or a great niece or nephew she always supported them by donating to whatever they were fund raising for. If you were sick, she brought you her homemade soup. She will be greatly missed.
