“ I worked with Mary and she taught me much. She always happy and great to deal with. Over the years we grew closer and she became a dear friend. I will miss her dearly. I am so glad that I got to spend her last weeks together and the last day she was with us. I know she is looking down at us and helping all of us as she did. Mary you will be missed but my memories will last a lifetime. Keep smiling and laughing now that you are with our Heavenly Father. I love you girl and miss you dearly.

To the family: I use to babysit Mary and her sister when they lived in Centreville Heights many moons ago. They were such cute little girls. My prayers are with the family at this time and may God give you the strength to get through this difficult time. God Bless each one and many blessings. Lynda Harris Palmatary, Centreville.

“ I'm a contract driver for the postal service. I would see Mary almost every day but for only a few minutes. They were a few of the best minutes of my day. Mary was always friendly and pleasant even during tough times. The world needs more people like Mary, she will be greatly missed.
