“ *I was so sorry to hear of Crocky's passing. She and I shared so many good times and memories from our years together at the Smithsonian Greenhouses. I will cherish the memories of working beside Crocky and discussing our dogs, her travels with the State Dept. and her home and garden on Kent Island. May God be with you.*

“ *To Crocky's Brothers and Family:*

I worked very closely with Crocky over the years in the Smith Club. She mentored me in early projects ten years ago, as I took on the Club directory and fundraisers, and the infamous Pecan Sale. When I was the president of the Club, she was an advisor, and I relied on her experience and counsel. Over the years, my daughters and I enjoyed visiting her, and we have missed her since she moved out to the Shore. I spoke with her earlier this year, and I was saddened and surprised to hear that she passed away. My condolences to the family. Know that she had a good friend in Bethesda who will miss her and think of her often. - Kristy Gertsen Keteltas###imported-begin###Kristy Gertsen Keteltas###imported-end##
