“ I have known Mary for 17 years lived next door to her every one of those years. My girls used to come over and talk Mary's ears off constantly. She never seemed to mind!
These last few months have been hard and the last few weeks have been unbearable. She hung in as best she could and fought a hard fight. I will forever remember the good times and the bad. She always said she didn't want to be a burden . . . she wasn't a burden to me or my family I was glad to know her and she was my friend! And I made a wonderful new friend in the process a few actually! love you guys!##imported-begin##Jean Cardwell##imported-end##

“ To Mary's Family- I will always remember Mary as a kind lady that was very dedicated to whatever task she undertook. She was a past member of the Queen Anne's County Commission on Aging and was very instrumental in taking the Commission in a direction that would best benefit the older people of our County. She was a true advocate for seniors in standing up for issues that affected their daily lives. She worked hard while here on earth, so may she rest in peace eternally.
