“ *Laverne was an amazing woman. She loved kids, and was part of the lives of so many children. She watched my two girls after school, went to Grandparents day at school with them because their grandparents were out of town., - she was part of the family. We shared recipies, cooked together, teased each other and laughed. Her love of life was infectious. She will be missed - but she can be proud of the number of people whose lives she touched. You go girl.##imported-begin##Cherry Krueger##imported-end##*

“ My condolences to all of you. I could write a book talking about Laverne. She was the first person I met when I moved next door to her, with a young child and pregnant. She immediately became a good friend. She often watched my children, getting them on and off the bus (as I know she did for just about every neighbor). She never forgot the kids birthdays. I think every little girl she knew she gave porcelain dolls. We helped each other out along life's journey. She was often my confidant, someone to hang out on a sunny afternoon by the pool or many times on her bed just talking about anything. She would often yell at the window to me when she wanted to talk. The last time I saw her was Feb 28th..she yelled out the window at me, told me how much she missed me. We were to have lunch the week she passed and it breaks my heart that I did not get that one last special moment it. Laverne, you will always be in my heart and the memories I have of you will last a lifetime. Suzanne##imported-begin##Suzanne Ponds##imported-end##

“ Nana was one of the sweetest person that I've ever known. She was always willing to do anything for anyone. The world will no doubt miss her. But she will be a great addition in heaven. She can be young again and be with her husband. You were a great woman and will be missed by so many.##imported-begin##Carl Wieslander##imported-end##

“ *Mom loved life and tried to enjoy every moment of it. Never stopped making new friends, some I discovered in her last hours. The techs in the hospital that got to know her over the last two years were coming into the room hugging her and saying goodbye, talking about gatherings in her room to watch the Ravens play with her. Which to me is a great tribute to her wonderful spirit that she had and shared with everyone. There are no words to describe the love I had for my mom and how happy it made me to have in this world for so long.##imported-begin##Harold##imported-end##*

“ *Mrs. Laverne used to watch my little sister and I before and after school because of my parents' work schedule. We spent alot of time with her and her family. She had a pure heart and was the most caring person I've ever met. I love you nana and will miss you!##imported-begin##Ricky Ponds##imported-end##*

“ Mrs LaVerne was such a big part of my life and my memories of her always bring smiles to my face! How lucky I was to grow up across the street – I remember Easter chocolates, ceramic collector dolls, hugs, and laughs. I remember her dancing around, smiling, telling us everything was okay, even when times were tough. Such a positive spirit! I’m so grateful that my kids, Ellie and Evan, got to meet this amazing lady. I wish I had just one more day, one more hour with her... the time goes by so fast. Nana, I love you and will miss you so much!##imported-begin##Sarah Smith (Wheet)##imported-end##
