

Mason Matthew Fisher

September 19, 2000 - April 25, 2022

Mason Matthew Fisher was born September 19, 2000, the only son of Bryan and Helen Fisher. Mason lived to be a little over 21. He was very proud of what he was doing in his life. He had moved off the Shore and was standing on his own.

He was happy with his new life and new job. He was excited to see where his future would bring. His parents couldn't wait to see what he would accomplish. They were so proud of him.

Mason grew up on the Eastern Shore of Virginia. His love of fishing and hunting were in his blood. Each year it grew stronger. Mason was happiest when he was at one with nature. On a sunny day he could be found casting his fly rod off the dock for hours.

Mason had an old soul from birth. He had a gentle heart and was a genuine person. He was easy to talk to and brought people together. His honesty was heartfelt. His smile was infectious and would brighten any day.

Mason left a big mark on this world in such a short lifetime. He will be forever loved and remembered. He was a blessing to all.

He was preceded in death by his paternal grandparents, Bruce and Judy

Fisher; maternal grandparents, Raymond and Rebecca Brilz; and his uncle, Ray Brilz.

He is survived by his parents, Bryan and Helen Fisher; best dog Loki; aunts Katherine Brilz and Laura Brilz; uncle Tony Brilz, his "Uncle John Fisher;" and many cousins.

“ *Mason and I attended Hargrave Military Academy together, he was in my social studies class with LtCol Broomell. He and I went on to Marion Military Institute after high school. He had a positive spirit that lives on and always looked for the best in others. He was a good friend and I'm proud to say I had the opportunity to know him. Rest easy Mason.*

“ *There are no words to express how sorry I am. Although I didn't get to see him as he grew into a young man, I have so many memories of him as a toddler. Babysitting Mason was always a joy. He always had such a sweet way about him. My thoughts and prayers are with his family and friends and all that were touched by knowing sweet Mason.*

“ *Mason and I were in the same 4th grade class and ill never forget the time we went backyard camping, we got all our gear and had to go across part of our marsh during high tide, we were up to our waists in water, sandwiches got soaked, and had no fire (being 10 years old or so) but it was a treasured experience i hold, we lost touch over the years, but he was one of the good ones and will be sorely missed. “ Helen and Bryan

I am truly struggling to come up with words to convey the sorrow I felt when learning of Mason's passing. First, I thought of the young boy bouncing through the halls of Accawmacke Elementary School who was well loved and kind to all. Next, I remembered the countless conversations that we have had about our sons and the trials and tribulations of watching them grow up. Last, I remember your love and pride when speaking of Mason. I know there is nothing that can be said that will ease your pain but please take comfort in knowing that Mason knew how much he was loved by each of you. Hugs, thoughts and prayers.

“Helen and Bryan, my heart trembles and breaks for you. There is no greater anguish than the loss of your child.

What I remember most about him is how poised and easy-going Mase was. And he was an old soul. He was wise beyond his years hence his ability to establish a good rapport with anyone. Whenever I encountered him, there was an easy smile and laugh and I never failed to think what a great job you both did as his parents.

We all know how deeply he is loved by you and know this journey of grief will be long and hard. We, your family and friends, walk beside you in your pain and are ready to share the weight of your sadness. We are here with arms wide open to hold you warmly, tenderly.

With love,

and forever. I was always so happy every single time I got to see
you. You always knew how to make me laugh and you always did
make me laugh. You've been picking on me since the day I met you,
but I knew it was all love. You are an amazing guy, and I'm so proud
of you. Thank you for being wonderful, thank you for all of the
smiles, all of the laughs, all of the memories. Even though,
whenever you would walk through the door my husband Loki would
suddenly abandon me.. But I harbor no resentment. I have and
have always had nothing but love for you. I miss you so much
already.*

“Helen & Bryan, there are no words to describe the ache in my heart. Every Valentine’s Day, I think back to the day Tyler and Mason went on their “adventure”... skipping school to drive to Salisbury because Gander Mountain and Dicks was having “an awesome sale on hunting and fishing gear”...two mischievous boys who couldn’t wait to catch the biggest fish & shoot the biggest buck! I’ve heard that story told several times amongst their friends...it was “epic” they said! Mason’s beautiful smile and spirit will never be forgotten. Every Valentine’s Day, I’ll continue to think of him and be forever grateful for the time, though much too short Mason and Tyler had....

“ *Helen, Bryan and Brilz Family, my heart breaks right now. Mason had such a sweet soul. My every interaction with him was a pleasant one. His smile definitely lifted me back up in the following week after we lost Ray.*

I will never forget the winter of 2013 and how excited he was to come up and go hunting for a few days. He had called Ray early one morning, told him he couldn't talk long because he was on his way to school, but wanted to make sure he had everything he needed to go on the hunting trip. He ended the conversation with " You have a good day at work Uncle Ray". Ray beamed with pride talking about that phone call.

I know they are hunting and fishing now, together again.

All my love.

“ *Mase made the biggest impact on my life in the last 2 years. I wish I
had met him sooner. He introduced me to the appreciation of the
outside world around us. He taught me to set down my phone and
really enjoy life in the moment. We went on multiple nature trails
and we found ourselves constantly excited to plan our next
adventure. He was a great example of “it isn’t who you’ve known the
longest, it’s who came into your life and was always there.” I love
you, Mason. Whenever “Your Love” by the Outfield plays I will
always think of you. All my prayers go out to his family. He talked
about all of you, and he loved all of you more than words can
