“ We spent hours upon hours on the phone, riding around town and out on the 4 wheelers, hours or watching WWF and playing video games. You were a great friend. Your level of sarcasm is a class all of its own and always made me laugh, and everyone else. You will most certainly be missed but never ever forgotten. See you again on the other side my friend.

“ Matt was a good guy, always happy, funny & made everyone laugh & always brought a smile to everyone! Finding out about this has certainly hurt, but i know he's up in a better place making someone laugh & telling jokes to those up above! We will miss you dearly, rest easy ol friend!

“ Matt could always make me laugh, he had a joke and a story for everything. Almost everyday he would text me, usually to send me a joke or to pick on me, and I'd pick back, it was all in good fun. In a world where most people only contact you if they want someone it was nice to have Matt who just wanted to chat, he had a good heart. My boyfriend really enjoyed his company and friendship too. Matt was a great friend to me. Tuckahoe, tractor pulls, and sales won't be the same without him.

“ *Our family loved Matt, he made us laugh. He helped us especially Walt with tractor or engine stuff. We really enjoyed last July with him at Tuckahoe. He sat at our camp with Amy, John and the others. We relaxed listed to the engines cooked amazing food and we all enjoyed ourselves. Matt told Walt he wanted to bring a engine up and stay back with us this year. We really will miss him. He was a good guy and a true friend.*
