

## Matthew Stewart Wemmer

March 18, 1987 - January 20, 2015

Matthew "Matt" Wemmer, beloved son of Greg and Joy Wemmer and loving brother of Michael and Megan Wemmer, passed away on January 20, 2015, from chronic obstructive pulmonary disease at Johns Hopkins Hospital in Baltimore. He was 27.

Matt was born in Easton, MD, and raised in Ithaca, NY, and St. Michaels, MD. Matt was a 2005 graduate of Easton High School and a 2010 graduate of the University of Maryland. While at the University of Maryland, Matt was very proud of his achievements which included making the Dean's List, playing UMD Club Lacrosse, and serving as President of the Phi Kappa Psi fraternity.

Matthew will be remembered by his friends, his devoted partner, Lauren Hall, and family as a very intelligent and caring young man who had an infectious laugh, an acceptance for everyone, and a never ending curiosity about life and learning. Matt had a deep love for music and believed it was the integral part of peace and happiness. He lived life to the fullest and on his own terms.

In addition to his parents and siblings, Matt is survived by his grandmother, Patricia Chamberlin, and many aunts, uncles and cousins.

A service will be held at 2:00 pm, Saturday, January 24, at Christ Episcopal Church in St. Michaels, MD.

In lieu of flowers, the family requests contributions to Living Classrooms Foundation, 802 S. Caroline St. Baltimore, Md. 21231, Attn: BELIEVE IN MUSIC, [www.livingclassrooms.org](http://www.livingclassrooms.org)

*We have been out of touch many long years but as a mother and remembering you as a favorite cousin, I am so saddened for you at the loss of your beautiful son. There are no words to make this better but know that all of us who are mothers can't begin to know how you feel and lift you up. You and your family are in my thoughts and prayers during this difficult time. May God's grace cover you and give you peace.*

I knew Matt as a customer of mine, that I always got on well with. He would call me fairly frequently to discuss ways to tweak his purchases for a better bang for the buck. When I couldn't deliver better news to him, he was always friendly, and understood. He did not shoot the messenger, like a lot of people do. I liked dealing with him a lot. He was nice guy.
