“ *Priscilla taught next to me at Freetown Elementary. One year, she had my son, Corey, in her class. He was a handful, but I never heard Priscilla's voice - only that of her TA. Often! The Freetown gang has had several reunions over the years, and it was always more special when Priscilla could attend. What a sweet, funny lady! She will be truly missed...*

“ When I moved to the Eastern Shore, and began teaching Sunday School at Kent Island United Methodist Church, I remember one of the first couples I met were Priscilla and Tren Ward. They would bring their grandson, Ben, to my 2nd grade Sunday School classroom, and later began teaching the 5th Grade Sunday School class. What a delightful couple! Priscilla will be sorely missed.

“ Priscilla and I worked together as Kindergarten teachers for Summer School at Germantown Elementary School many years ago. As a new teacher at the time, I learned so much from working with her and watching/admiring how she just loved every single one of our children. I took that life lesson and continue to love each and every one of my students 29 years later. Now I have the pleasure of working with her son, Matt. My deepest condolences are being sent to her family. Please know that she was so loved by everyone she touched.

“ Priscilla was such a great southern lady. She pitched in at bake sales and Esther Circle fundraisers at KIUMC and loved our annual luncheon at Fisherman's Inn. I know she greatly loved her family and the love of her life, Tren. She shared many stories about her grandsons over the years and always counted on her Circle friends to pray with her for her family's needs or challenges. We will all miss her very much.
