

Melissa M. Wood

May 5, 1968 - June 10, 2019

Melissa Moore “Lis” Wood, 51, of Easton, MD, died unexpectedly from heart failure on Monday June 10, 2019. She was a friend to all and the matriarch of the Wood family. A strong will and drive kept Lis forever dedicated to those close to her—family, community, and career.

Melissa was born in Easton at a time when small town values were a way of life, neighbors knew each other, lifelong friendships were made, families stuck together, and backyard cookouts were a treat. Lis and her family moved to “the Villa” when she was in first grade. A new home was born—what a wonderful place to grow up. Melissa and her siblings spent their days exploring the creek, tending to the garden, cutting grass—completing the not-so-well-received chores lists —and just being kids. Lis and family hit the road most summers rustic camping in one of the legendary Wood vans. Traveling off the beaten path with Mother Nature as their guide, they visited relatives and saw the sights and sounds of this beautiful country. It was also a time for the kids to come-of-age.

For Melissa, this was her time to catch her stride and begin what would be an accomplished business career. Working first at Harrison’s Flowers, she then entered the financial world beginning with Eastern Savings & Loan, and later moving to the RBC family. Melissa worked tirelessly for her co-workers and clients and loved the friendships that were formed. You wanted her on your

side.

She loved to travel spur-of-the-moment, making it as far as Alaska (It's doubtful that she even took a jacket.). She road tripped across the Midwest, took in the Kentucky Derby, and enjoyed weekend getaways. The Christmas season was her favorite. She would bake over 100 dozen cookies (no exaggeration) and cakes to make sure that everyone had something sweet to eat during the holidays. Those on the receiving end were a lucky bunch. Lis also loved playing with her cats, watching rom-coms, volunteering, playing board games, having a good laugh, and spending time with her nephew and nieces, and all of you.

Her life was one well lived. Melissa led by example, told it to you straight, held you tight if needed, and let you go when you were ready. Tell those you care about that you truly love them each and every day. Lis, we love you.

Melissa was the daughter of Karen J. Wood (deceased) and Earle B. "Bud" Wood, Jr. She is also survived by her siblings Earle B. "Roo" Wood, III, and Christopher C. Wood; her nieces, Caroline Wood and Collette Wood; her nephew, Peter Wood; along with numerous aunts, uncles, and cousins. Her closest lifelong friend, traveling companion, confidant, and fellow trickster was Claudia Fish Daniel.

The memorial service for Melissa will be held on Friday, June 21 at 12 p.m. in Christ Church Easton, 111 S. Harrison Street.

In honor of Melissa, please consider making a donation to the Easton chapter of the Humane Society; the Prader-Willi Syndrome Association (www.pwsausa.org); or your cause of choice.

“ Our dearest friend, you were funny, generous, kind and selfless. It's hard to believe that we will not see your beautiful smile that lit up the entire room! Jesus tells us that his Father's house has many rooms...well, you are in the kitchen baking up lacey cookies and all your other favorites.

You are so very much loved and missed!

God Bless you Melissa, Rest In Peace.

Our sympathies to the Wood family and Claudia.

“ *Dearest Melissa,
Thank you for almost 30 years of faithful friendship and service. You
were there each day for us and our clients. A great many of our
clients thought of you as family. You were part of our family. Being
there through sickness and health, good times and bad your love
and loyalty were a great comfort in our lives. We will miss your
sharp wit and humor, beautiful smile and homemade pies. Our loss
is offset by the knowledge that you are in a better place and
reunited with your mom.
We love you,
Sue and Dennis Comey*
