

Melody Rachel Scott

May 26, 1967 - February 10, 2021

Melody's earthly stay ended on February 10, 2021, at 10:24 A.M. at the R. Adams Cowly Shock Trauma Center in Baltimore, Maryland.

Charles Henry Scott, Jr., who is now deceased, was her father. Her mother, Nancy Hull Scott is alive and depends on God and Jesus to carry her throughout any situation of life.

Melody's grandfather, Charles Henry Scott, Jr., was very fond of Melody and nicknamed her "Shug." Her sister Blanche was conceived in another relationship and is now deceased.

Melody experienced many good years of school and successfully graduated from Queen Anne's County High School in June 1985. She highly respected her teachers having found much joy and accomplishments.

Her college experiences were a source of joy for her, and she worked very diligently in all subjects. She attended York College of Pennsylvania and Coppin State University of Baltimore. She graduated from Coppin State University in May 1990.

Melody's source of joy in life led her to helping others to be successful and become good leaders.

Life has offered Melody many good opportunities, and she succeeded carefully and decisively.

Melody was a member of Allen African Methodist Episcopal Church in Hillsboro, Maryland. Her experience with the members of Allen AME Church will hopefully lead her to become a member of the Heavenly Choir.

While at Allen AME Church, she became a diligent worker in the duties she was assigned to. Hopefully, her time in heaven will be as successful as it was on earth. We are led by a mighty God as He continuously leads us, all the way from Earth to Heaven.

The following poem relates to thoughts of Melody:

H-Have mercy on me God and Christ as I travel throughout life!

O-Only what I do for God and Christ will last!

P-Precious are the moments I spend with God and Christ!

E-Everlasting life is free as I devote my time to God and Christ!

“ I met Melody in 9th grade. We immediately became and stayed friends all through h.s. We helped each other with the pressures that teens face. Lol she was more like my counselor. Many weekends we spend going out for lunch or movie nights. I will always cherish our good times. Be at peace and enjoy the flowers of heaven. Dallisa Murray

“ I remembered meeting Melanie while riding Mr. Earl Wilmer's bus. When we sat together Melanie was a bit mean at times but always spoke her mind. I use to tell her you're so mean and it's not nice; she said okay and kept it moving. She was such a kind spirited young lady and always fashionable, walking like she was a model. We had some good times on that bus ride to and from school. She will be remembered always.

“ *I have such fond memories of of Melody especially when she was very young. Her parents lived beside my family and I often would visit her Mom. Her Mom entrusted me on several occasions to babysit Melody. She was a happy and fun loving baby and toddler. Many years had passed before I would see her again but this time, as a beautiful young woman. She began working where I had been for a few years. We reminisced about me being her baby sitter. I am sad to have heard of her loss and we pray our condolences for her family. God Bless Dr. Kevin and Evangelist Ida Jeffers*

“ *My memories of Melody in Middle as well as High School were of a very sweet and kind girl. Melody was always smiling and friendly to anyone she met. I haven't seen Melody since High School but she came up in conversation with a friend of mine about 2 yrs ago. We both agreed she was such a joy to be around when we knew her so many years ago. Prayers to her family during this time of grief.*

“ *Dearest Nancy,
My deepest sympathy to you on the loss of your beautiful Melody. Though I never met her personally, I do so remember the joy and pride you expressed in conversations we had long ago when you taught my son Bradley. I knew her name immediately when I saw it here even though it must be nearly 30 years since you and our family have enjoyed meals together at Bonanza in Dover. I pray the Peace of our Savior comforts your heart and the beautiful memories of her, still the aching of her absence.
Fondly,
