“ *I will never forget the ocean city family vacation for a week, then spending a week with Mom mom and swimming in the pool. Sometimes me and Christopher would spend them together with her. She always had to watch her tv programs, murder she wrote, and matlock and always doing the cross word in the tv guild. We always play the game trouble whenever I was over and I'll always remember her kitchen of geese. My most favorite day was she got to meet my son, her great grandson Gage. She told me he was a handsome boy and look just like his daddy, He was only a month or two old. I love you mom mom melva and you are always in my heart and I will cherish all my memories I have of you.*
