“ Dear Bret,

This seems appropriate this morning as the geese are landing in the creek over coffee.

I am overwhelmed with your Celebration of Life and Love last night. What a beautiful service! If you only knew how many friends you had. I hope you were listening to some of the stories shared. Love You, Karen

*Today is full of memories
of a brother laid to rest
and every single one of them
is filled with happiness.
For you were someone special
always such a joy to know
and there was so much pain
when it was time to let you go
That's why this special message
is sent to heaven above
for the angels to take care of you
and give you all my love*

“ Over the years I only got to see you here and there but my main memories of growing up and going horseback riding together. What fun we all had!! We were good kids as teenagers always out riding. We both when seeing each other would mention about the green goat!! I am sorry to see you have gone and send my condolences to the family.❤️
