*To the family of Mike Joyce*

*I am shocked & saddened to learn of Mike's passing. He was my friend & an excellent Teammate during our Coast Guard Basketball experience. He & I played together, lived together on the trips & enjoyed each others company during our tenure on & off the court of play. .*

*He was a very good player both offensively & defensively, very smart & extremely confident in his capabilities. Although I was bringing the ball down the court, he was the guy in charge. He & Harry Lozon, an All-American player from Old Dominion University were the two guys that really made it happen. We were successful & everyone enjoyed our time together.*

*In memory of Mike Joyce, May our Good Lord in Heaven bless him & welcome him Home!*

*My prayers are with the family & I wish that Mike & I had more time to spend together following our Coast Guard adventure.*

*My sympathy to the entire Joyce family.*

*Sincerely, Gerry Stevens Milton, Georgia*
