“ We are so sorry for the loss of Michael, he was a such a joy to have around, and in some of our funniest memories. I will always remember his voice, for such a little guy, his voice was so deep. My favorite memory of him, was him finding a snake in the field and bringing it to me, saying he had to take it home, it was his new pet. He was so excited, I told him we would put it in a bucket until he got picked up, and see if he could take it home. When the time came for him to leave, he ran to the bucket so happy to show off his new pet, but it had escaped, he was so sad then, he even cried. He had a good heart and love of animals!

Thank you so much for sharing our children's times together so beautiful!!!!!!

Yes, he liked pets and no fear of snakes. I remember sitting at the soccer field talking with the other moms and one said " Is that Michael bringing that huge snake over here?" Yes, it was and his first words to me is "can we we take him home?" I told him not today Mike :) He of course aquired more reptiles especially the iguana from his Godfather Uncle Tommy who spoiled Michael to no end.
