“ There are no words I can say to make up for the loss of Mike. What a unique person and I know now where I get my contrariness from but I love him with all my heart and soul. What a grand person he was gruffy on the outside but a teddy bear on the inside. So many wonderful memories of him that I can't just pick one!! We were so alike in so many ways I guess I did have some Plugge in me but proud of having it due to Mike. So long my friend till we meet again. May you Ms Dot, Jason, Tate, Glen, Leslie Lindsay and his grandchildren know that he was so loved by all. May God be with you at this time of grief and I am here if you need me

“ Mike was such a friendly man. I always seen him with a smile and always something pleasant to say. I miss those days seeing him driving up n down the highway in his dump truck. The last few years, I would always pass him at Fast Stop. My thoughts and prayers for his family n numerous friends!! ... As we all know, he's in a much better place today.

“ *My biggest regret is not stopping by and saying hi at least one of the several times in the past year I thought about it as I passed by "Pluggeville". I hadn't seen you in awhile but I always liked you. I'll see you one day on the other side and have a 10 ounce or pony bud with you and listen to all the bluegrass you want to hear. Until then.....*

“ *We were so close. My friend, my wing man, my pain in the butt!! Every morning we would discuss our lives. Every afternoon we would plan on how to fix our lives. Then every night we would have a drink and either laugh or cry on how our day went. I will be forever lonely without you my friend. RIP, your loved by many...*

My prayers go out to the Plugge family. Although I hadn't seen Mike in quite a few years I still remember that smile he always seemed to have on his face. Just know that he hasn't left you for he will always be in your heart and I know he will be looking out for you all. God bless you all.

“ I did not have the honor of knowing Michael, except for a few days in the nursery at Memorial Hospital, he and I were born on the same day. My mother, Ann Anthony, and my aunt, Libby Goodman, used to talk about Mom and Dot being there together. I just wanted your family to know how sorry I am for such a tragic loss. May you find peace and comfort in your many memories.
