“ Mike and his sister came over a couple times when their cousins were at my house for BBQs. He was such a great kid, even though he was 15 he would play with all the kids at the house and could still carry on a conversation with Will and me without sounding like an awkward teenager. I met the kid maybe 6 times and I can say that he made more of an impression on me than any student I met in 10 years of teaching. My kids and I will miss this special guy.  
Peace be with you Mike

“ Seems to me I met Micheal somewhere over the past 20 years, but of this I can not be certain. One thing I can be certain of, he must have been a very special person and will sorely be missed. You see, I have had to very good fortune of knowing both sets of grandparents for over 20 years. I can't begin to imagine their grief, let alone that of his dear parents. They have my deepest sympathy.

We don't have much if any influence as to how much time we get to spend together; only the quality of the time. He most certainly touched the lives of many and has left a profound and lasting affect on many. I'm certain that he lives on in the collective memory of his loving family and friends.

“ *Lisa, Amanda, Rick and Rick Jr. I lit a candle for Michael on Friday and over the weekend in his memory and the memory of his close three friends. Please remember that God is holding you all in the palm of his hand right now and he will help you through this difficult time.*

*I enjoyed seeing everyone at my brother's service in January and especially enjoyed shaking Michael's hand and giving him a big hug before you all departed. It will be a lasting memory for me. He had grown so much since I had last seen him. He is in a better place now probably giving my brother a challenge at Trivial Pursuit or cards.*

*Please know that I am always thinking of your family and praying for good health, happiness, and success. Michael will always be remembered for the great young man he was. I love you all and look forward to seeing you soon. On behalf of our entire family I would like to extend our deepest condolences. God will help you through this difficult time so rely on him.*

“ Dear Lisa, Rick, Rick Jr., Amanda and all who love Michael,

*At times like this, words seem so trite to express our sadness and love for you all.*

*Michael was, indeed, a special person. His helpful, positive, happy manner has been felt by so many whose lives he touched.*

*In his life, seemingly short, he has mastered what so many of us don't achieve in a lifetime four-fold as long.. His lessons of a life well-lived will be an inspiration to all who knew and loved him. You will see the fruits of his life for the rest of your lives. Your family has nurtured a beautiful person, draw faith and strength from that.*

*While our hearts are heavy for you, we can be assured we will be with him again. As time passes we pray the hurt you feel will be replaced by sweet memories of Michael and your family. You will keep close to him and each other forever.*

*We are praying daily for your comfort and peace. Our church is praying for you and all of the families who have suffered the loss with you, the elderly man who survived and the firemen who attempted to help. What a generous tribute we saw of your neighbors and friends, we thank them for their love of your families.*

*We ask God to keep you close and to hold you when you are weak. We feel privileged to have been with you in Annapolis years ago. Know that you are welcomed by our family any time, for any reason.*

*If we can do anything for your family, we would be so happy. We love you all very much.*

*Love, The Bandy Family, Reid, Beth, Marilyn and Steve*

“ We did not know Michael, however, as a mother of 4 who recently moved to Kent Island, my heart and prayers go out to you, your family and friends. I am sure my son would have been friends if they had the opportunity. Everyone seemed to truly love your son and have such wonderful memories of him - hold that dear to your heart. I cannot imagine the pain and heartache you all must be feeling. May you find the support and strength to heal from this wonderful community and the people who live here.

“ The whole class of 2012 was a wonderful group of kids. They were very special. My oldest son JC attended school with Mike and I want to say how grateful I am to your son as my son is autistic and that whole class looked out for my boy. Mike, you and your family are in my thoughts and prayers. I am forever thankful for your kindness.

“ *Our deepest Condolences to the Ringenbach family, Mike was not only our employee but a friend to all here at The Big Owl Tiki Bar. We met Mike last year when he came to work for us. He was friendly, honest, kind and smart. He was was a hard working young man that we really enjoyed having here with us. He will be missed. Please contact us if there is anything our family can do for your family. "Rest In Peace Mike" God Bless your family!*

“ *Dear Mr. Ringenbach (as I always called you) ~ Your short time here on earth brought so much joy to so many. As your "lunch lady" at MMS/KIHS annex, I was blessed with your presence most every school day. We usually shared some kind of laugh. Miss Theresa and I often fondly spoke of you, even though you had been gone from our lunch lines for a number of years. This is the truth. Rest well, Mr. Ringenbach. We are ALL richer for having known you.*

*My heart aches for your family. Know that Michael is with his grandfather and God in a better place. My prayer for your family is for God to heal the hole left by this tragedy and find peace.*

“ Dear Mr. And Mrs. Ringenbach, Rick, and Amanda,

*I'm so sorry to hear about Michael. I will always have fond memories of him in my fifth grade class. He was such a caring, respectful, and polite young man with a huge heart and a never-ending smile. It seems like just yesterday he was 10 years old, playing on the black top at recess with his friends. Michael will always be alive in my heart. God bless you and your family at this time and always.*
