“ I was so shocked to hear about mike. And so sad. I am so sorry for your loss, Kelly. I met Mike in 1998 when he hired me. I worked with him many years at Indian Springs. He was my mentor and my friend. I will always cherish what he taught me and the fun memories we had in the office. He was such a joy to work with. And a good man to know. It was a sad day when he left Creech to take on bigger and better things. But much more sadder now. He will be missed so much!

Please pass on my condolences to his family.

Thank you. Again, i'm so sorry.

“ I am very saddened, as I just saw this news. I worked with 'wild & crazy' Mike at Creech AFB, and have spoken to him off and on for the past few years. Mike had a soft heart, and he will be missed. Way to soon. Love you Mike!

I was shocked and saddened to hear of Mike's passing. I worked with him on numerous occasions being that I was one of only two qualified instructors at NSTec, Livermore Operations. He also came out to Livermore a couple of times to instruct the Supervisor course. More recently, shortly before he transferred to Andrews, he critiqued one of the courses I teach and re-approved my qualified trainer status. It was a pleasure working with him! I know he will be missed! My thoughts and prayers go out to his family, friends, and our entire NSTec extended family. After grieving his loss, I hope we all have the courage to remember that life is a miracle and...

"There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle."

Mike,
I had the pleasure of working with Mike and being introduced to Kelly and friends. Mike was a good friend and an inspiration. He always had a smile to give away, a means to get you to laugh, and constantly setting the bar higher on how to enjoy life to the fullest (to include his commitment to the Steelers). Mike, you truly will be missed. My prayers and condolences to Kelly, Marcus and Chelsea.

Mike,

You were gone much too soon, and our community mourns the loss of a great friend and the best neighbor. You were loved by many and will be missed by all.

There is a quote that, if you could speak to us now, sounds like something you would say:

" Die when I may, I want it said of me by those who knew me best, That I plucked a thistle and planted a flower where I thought a flower would grow." (Abraham Lincoln)

Rest in Peace, dear friend.

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.*

Michael even though you loved the Steelers, I still liked you. You will be missed.

“ *To My Loving Husband Michael,*

I knew the day that we met that I was going to marry you. I fell in love with you on our first date. It was like I had known you forever. We were the same person. We had a once in a lifetime love that most people dream about but often never find. Do not understand why God chose you to be taken away, but I will be forever blessed that I had 5 wonderful years with the man of my dreams. I am a better person for it. You will forever be my one and only true love. This is not goodbye...but see you later. I love you Michael.

As you knew I loved you very much. You mentored me and for that I am extremely grateful. What I will miss the most is the crap you gave me all the time, and you telling me that if you didn't care you wouldn't do it. All I could think about is how much you must have really loved me because the crap-giving never stopped :). I will miss you very much.

“Dad, I love you very much and i will miss you terribly. Your a great man, friend, and father, your smile always brightened up the room and your sense of humor was out of this world. You are an inspiration to me to become successful and do the things in life i have always wanted to do. Your are my guadian angel now and even though you are no longer here physically for all the future with me, i know in spirit you are right by my side and watching me grow up and begin to live my life. You were my best friend and the only man who really has my heart, who knew how to love me unconditionally no matter what, i treasure you dad and all the memories we have made. I am very upset to say goodbye this year, but both me and Marcus know we were very much so loved by you and proud of us. I love you daddy!! <3 Keep watching over us.
