

Michaela Dawn Coulbourn

June 29, 1964 - December 30, 2014

Michaela Dawn Coulbourn, 50, died tragically Tuesday, December 30, 2014, as the result of an automobile accident.

Michaela was born June 29, 1964, in Clark Summit, PA, or as she liked to say, the last exit on the NE turnpike. She graduated from Abington Heights High School, Class of 1982. She earned a Bachelor's Degree in education, specializing in the hearing impaired, from Bloomsburg University in 1984 and later obtained her Master's degree from Western Maryland College. Upon graduation from Bloomsburg, she started teaching for Caroline County Public Schools, September of 1986, where she specialized as a Special Education teacher for over 20 years. For the past several years, she had been teaching fourth-grade at Preston Elementary School.

She enjoyed spending time with friends, many of whom were friends from her childhood. She was a masterful storyteller and would keep her friends laughing continuously. Her passion was teaching, which she put extraordinary hours into. Michaela was always one of the first to arrive at school and last to leave. A humble person, she touched the lives of many students, and they were first and foremost in her mind. She was also involved with First Wesleyan Church in Easton, where she helped teach the special needs adults.

She loved her family tremendously, and is survived by her husband of 21 years, Fred, of Preston, MD; her son, Michael, of San Diego, CA; her stepson Alan, his wife Corey, and their soon to be born son, of Easton, MD; her stepson Dennis, his wife Monica, and their children, Ava and Lincoln, of Kannapolis, NC. Also missing her are her two dogs, Buster and Chance, that she loved so much.

Michaela was preceded in death by her brother, Donald L. Covey II; her father, Donald L. Covey; and her mother, Oma B. Covey.

A Celebration of Life will be held at First Wesleyan Church, 620 Goldsborough St., Easton, MD, at 2 p.m., Saturday, January 3, 2015.

In lieu of flowers, memorial donations can be made to First Wesleyan Church.

We had just moved into the neighborhood and she brought my brother and I Kool-Aid in Dixie cups. Her smile was so friendly and warm. She was always smiling and laughing. I will always remember Michaela this way.*

Angel walked in your class in Aug, for the first time and you said by the end of the year she will be reading fine. And you did what you said I have never seen a child go from 0 – 50 in 4 months but you made it happen. . She will never forget you because you took the time to make her feel like she was not different from any other child in your class. Angel and our family would like to thank you for all you have done for her and the other children you have teacher over the years,
His lord said unto him, Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord.

She always made me laugh and sometimes cry only because she had such a big heart. I am so glad that we reconnected everytime a class reunion would come up. Most recently we became close again. Knowing that i would have her in my life again not only for reunions but special girls weekends and beach trips. Always will remember all of our good times . Will hope to one day see her again. “ I met you at the church where my husband and I were married...You were beautiful inside and out. You were a sweet person and a good friend to my mom as well. I can't believe you are gone and I grieve for your family. However, I know you loved your Savior, Jesus. I close my eyes and picture you enjoying paradise in Heaven and look forward to the day all believers in Christ are reunited. What hope we have in Jesus. “Sometimes there’s a fire in your life and you ask God,
“Lord, let me go around the fire.” And God says, “No.”
Then you ask, “Lord, then let me go over the fire.”
And God says, “No.” Then you ask,
“Well Lord, please let me go under the fire.”
And God says, “No. Go through the fire and I’ll be with you.”

Sending so much love to the Coulbourn family. I have a lifetime of memories with my dear friend Michaela. I am lucky to be able to keep my fond memories for the rest of my life. I will see you again Michaela.

“ I have so many memories that bring a smile to my face. The only person I knew who could do a split in the dorm room and have a foot on each closet, the flailing limbs, the birth of Michael and all the pride she had for him throughout his journey ("We are too much alike." -which was a good thing), the love for Fred, road trips to see each other, the laughter and joy I always had being around her, I could go on and on. It didn't matter how much time would go by, we would pick up as if it were yesterday. Fred, Michael, and family, I am so sorry for your loss. My heart is broken, I will miss her so very much. She had a pet bird, so I wanted a pet bird. 42 years is a long time to know someone. Thinking of a world without her smiling face is going to take a long time to seem real.*

If we can judge a life by how many others she's affected, Michaela touched more lives than most people will if they live 100 years. My deepest feelings and support to all who share in her loss, especially for the grandkids whom she loved so dearly, who had barely a chance to know her and to those who won't get that opportunity. ❤️
