“ *Mike was a neighbor in Downey, remember his cool toys, like a steam engine which powered all kinds of things. I really liked his sister, Susan, we were the same age and went to Spencer V William's elementary. Would like to email her if I could find her address.*

Mike - June 11, 2020 at 08:54 PM

“ *John and Tammy,
So sorry to read of the passing of John's parents. Our prayers to you that they knew the Lord and that you are finding peace in know where they are and you will see them again.
Miss you guys!
