And for a brief moment its glory
and beauty belong to our world
But then it flies again
And though we wish it could have stayed...
We feel lucky to have seen it.*

“ Mickey & Liz,
A blast from the past in not too a happy time. Sorry for your loss--he is in heaven for sure. If only we could be guaranteed like they can. A high school alumus of Loyola , Richard Sandaal (my cousin) e-mailed me about Michael. Since it was in the paper today, we decided to e-mail you. We are going to try to get down for the service, but it depends on the weather.
I have been to STAR (Anita Lynn) a couple of times, but have not seen Neil.
We live up here in Hagerstown now so we can be closer to Steve & his daily routine. He seem to be content. Not as "hyper" as when he was small. If you get to Hagerstown for more than a pick-up of Neil, call us & came visit--301-665-2884.
Let us hear from you & let us know how you are doing. We are sorta healthy- Russell has Diabetes, & Glascoma.
Take care,
Ann & Russell###imported-begin###Russell & Ann
