“ Mike I am so sorry you had to leave us so soon. I think back when we were kids playing at the water and playing on the swing and chasing each other around. The last time I seen you we went on a ride on the 4 wheeler and I had a ball. You really know how to make people laugh and you are going to be so missed by everyone. Your mom is going to miss you so much you were always there to take care of her and she knew who she could go to for any problems or help no matter what you were there. I am so proud of what you have achieved thru out the years. Love always.##imported-begin##Lisa McReynolds##imported-end##

“ Over and over, it keeps coming up that you were a great friend. Somebody that could be counted on. Somebody you could laugh with. Most importantly, somebody that was always there when you were needed most.

The last few days I have found myself thinking back to the Queenstown days and all the fun we all had. You never realize it at the time, but you sure do later on.

Good bye old friend, you'll be missed, but the memories will live on.##imported-begin##Justin Hamel##imported-end##

“ We are still speechless and cannot believe you were taken away from us so soon. We keep saying Mike wouldn't want us to be sad and he wants us to be strong. You were one tough guy, but on the inside had a huge heart. It is really hard, but those memories, that is what is getting everyone through this sad time. Thank you Mike for all of the great times you gave us. Anytime you were around, it was a guarentee to be fun. Steelers fan to the end! We miss you more than words can describe. Your memories will always live on and we know you are looking down on all of us and will protect us.##imported-begin##Tracy and Matt Zador##imported-end##

“ To Mrs Carol Matt and family
I was deeply saddened when i found out that Mike had passed away. Why so young I ask myself. I cannot imagine what void this loss has caused. He seems to have left a legacy behind.
