“ For the funny crack me up mom to my nephew Chris and to Tyler who also makes me laugh. Who checked me out to make sure I was ok to be around her son Chris. Who helped raise my nephew Brian--that was a task I am happy you helped with!. Thank-you for your commitment to all of the boys! The Westerfield and Plutschak young men are amazing because of your part. Thank-you Michelle...with appreciation and respect

“ I have many great and funny memories shared with Michelle. I worked with her and have shared common interests over the years. Her wittiness and sarcasm was like no other. She was one of a kind. Our prayers and thoughts go out to Chris and Tyler and her family.

“ My heart is broken in so many pieces and I'm not sure how it will ever heal , you were like a sister to me . I will treasure our dinners, shopping trips , conversations and pajama parties when Don was away . Your quick sense of humor and wild zest for life will be missed. You raised 2 amazing young men who knew what their mother sacrificed for them . Chris and Tyler you are in my thoughts and prayers. A young woman gone to soon and to young . I will remember all the good times we had, I will see you on the other side my friend. Rest In Peace until we meet again meg friend 🙏🙏

Was so saddened to hear of the passing of Michelle. We were like family. Her house was my boys second home for many years, as my house was the same for Chris. Lots of great memories. RIP Michelle you will be missed by all who loved you..

I am heartbroken to have lost a true friend like Michelle who was more like a sister to me. We met at work at Circuit Court and just clicked. We laughed and cried together but most of all we loved. Michelle could find humor and laughter in everything and was the most giving selfless person I ever met. Michelle would sacrifice anything and everything to make the lives of those she loved better. Michelle was Special. A true gift from God and I was so lucky to have her as my friend. Although my heart is saddened, I know she feels no pain or grief now. I know she is smiling and laughing and most of all still loving. I will miss her but she will always be in my heart and I will always keep her memory alive. Rest now my friend and I promise we will meet again.
