“ I have some memories of Mickey's love of sports in high school. I remember his playing soccer and basketball for the varsity. But, if my memory serves me correctly, I fondly remember our school assembly at the end of the year when Mickey was graduating and he was recognized for being one of only two or three that year who had never missed a day of school. That was a very impressive achievement. With that kind of dedication, he is surely working with our Lord just as diligently. May his family find comfort in knowing he is remembered by those who knew him briefly and many years ago.##imported-begin##Bill Smouse##imported-end##
