“ *I remember Mrs. Van Der Wende as my next door neighbor in Midvale, NJ. She was a feisty little lady who ruled with lots of fun and easy going nature her three sons. I remember lots of love and laughter and three wonderful boys who were great fun to hang out with during summer break. Mr. van Der Wende also taught all of the Gulino kids who were interested, how to bat, throw and play a decent game if baseball!*

I often thought about the whole family and missed them after they moved to West Virginia for Mr. V's job.

May Mrs. V's memory always fill your heart with joy and keep her close. Sincerely, Michel Gulino
