“ Molly is part of most of my childhood memories, we were like sisters growing up. I remember walking into school hand-in-hand on the 1st day of kindergarten and all the fun we had every summer vacationing in Chincoteague with our families. I'm so sad I'm unable to make it today for her service but she is forever in my heart. Sending love to the family.

“ So sorry to hear about Molly's passing. I met Molly working on Telemetry @ Un. Of Md Easton. We kept busy, but when there was down time, Molly shared pictures and stories of her family. She was a proud mom, and grandmother, and loved her family very much! I remember how excited she was to get married, and she had a great love for the state of Alaska. Prayers to her family in your loss.
