“ *Nikki has been one of my best friends since 7th grade. I will forever remember her kind heart, generosity, and sense of humor. She was always reaching out to help others. I have many memories of the times we spent together. There were many dinners where we closed down the restaurants because we talked too much! My heart is hurting and will for a long time. Her family and friends will be in my thoughts and prayers.*

“ *Nikki, we love you, and you will be tremendously missed. Nikki was always the voice of reason in a time of chaos...the calm port during a storm. "What would Nikki do?" That will be a motto going forward. Condolences to all her family and friends. Nancy and Bryan Shipp*

“ *Nikki has been my friend since we were in 7th grade together! Life long friends are very special gifts from God, not to be taken for granted. Nikki has always been a hard worker, independent, caring friend, a nurturing mother and wonderful person. Last year, she was donating to the children of a coworker's friend so the children would have Christmas gifts. She didn't know them, but wanted to help children enjoy Christmas. Nikki was thoughtful and kind. I will never forget her friendship. My heart will be broken for a long time. Nikki, may you be in Heaven surrounded by love, the love that you shared with so many of us. I prayed that you could stay with us, here on earth. God knew you needed to go home to Heaven to be healed. I will miss you forever. Hugs to you. I love you dear friend.* ❤️Peggy
