“ *We are deeply sadden by the loss of Buck. We have been friends since 1st grade and spent a lot of our youth together.(not always behaving). He was a friend I knew I could always count on. Buck was extremely committed to his family and we know they will miss him. However, his love will always be with all of us who had the honor to know him. Our Love to Kit and the family!*

“ I am deeply sorry for the loss to the Buckingham family. Buck was one of a kind and I cherish the time I spent with him. He taught me a lot of things that have benefited my family throughout the years. I will be forever grateful. May the memories of him provide love and comfort to his family and friends through this very difficult time.

“ So many shared memories. Vacations with our families in OC, fabulous holiday parties, Easter holidays when we were young. His generosity love and commitment to family were unequal. Of course, he was a relentless practical joker and would terrorize the girl cousins relentlessly. I will miss him so very much. Love to Kit, Dave and family.
