“ *Nancy and I worked together at Washington College over 20 years ago. Yet, I always received a birthday card from her every year after. She was a kind and gentle soul, and I will miss hearing from her.*

“ *Had the pleasure of seeing her last performance in Steel Magnolias at the college. She did an amazing job and it was clear to me the amount of joy she had in her soul for what she loved doing so much. I hope you may find some peace in knowing she was enjoying her life before her eternal life began. You have my deepest sympathy, love and prayers on your loss.*

Nancy was the kindest and gentlest soul and I feel graced having known her. Her soft presence, kind eyes and smile I will never forget and she always had words that made you feel supported and cared about. Nancy was a wonderful animal lover and extended her kindness to all of the animals lives that she touched and cared for. I really am going to miss you Nancy.
