“ Dear Becky, Bucky, Pam and Stewart,
I am so sad to learn of the passing of your sweet mother. I have so many happy memories of our times together growing up. Your mom and family were so special to me during my teen and college days. I always loved babysitting all of you and thought of you as my “ first babies”. We had fun at the pool, going on a trip to Atlantic City and the beaches and it was fun to have Becky helping me with my high school homework after the younger ones went to sleep.
It was wonderful to see your Mother at my Mother’s 100th birthday party in the spring. I will always treasure being able to see her there. She was a wonderful person, mother, grandmother and friend. I pray that many fond memories will help you all as you celebrate her life and her new journey. She will be missed by all who loved her.

Love to all,

“ *I remember Ms. Nancy and the family from growing up on Wrightson Avenue. We had a great neighborhood where all the moms looked out for each others kids as we roamed that neighborhood. Mom played Bridge with her. Your picture shows the smile that I remember from that time. Prayers and condolences to the family. From Cindy Lawson (Embry).*
