“ Nancy, we would not choose to go on without you; but we must. You are such a pleasure to have known. But our friendship time was too short. You're such a gracious person always willing to share whether time, love, fabric or lunch. We will miss you so much.

“ Nancy and Tom wertr such dear friends of ours for 60 plus years. They had 3 boys and we had 4. They all grew up together. We had many wonderful family picnics at Indian Landing Boat Club. We as couples shared many dinners together at our homes or at a restaurant. Hugh and Tom loved the Far side jokes. Nancy and I never really understood the joke. But they did. I also worked with Nan at DNR. In fact she told me about the job I had there. Lots of fun there and on our Secretary Retreats. Nan was just a dear dear friend. So glad of the memories I could share and many more I do not have space for. We shared so much and would laugh over the funniest things that only we understood. We love ❤️ you Nan. You will always be in our heart. We never got to say good by. But know you are with your wonderful husband Tom. Love you both..
