“ *Nancy and I both worked at the library and even at the new southdale branch. When our daughter was born she traveled to our house to give us the cutest little baby outfits she purchased at a cute childrens shop in Edina. She came to my wedding and when she visited for the first time it was so cold heating up our little blue bu in the cold wisconsin weather that we sang songs and laughed so hard. I love know she got married had a beautiful family and a husband. I bet she made a great wife and a wonderful mother. She was my best friend - my messsage is this dont lose touch make the time to be with family and friends for Nancy it was never too far to drive to my house. The last time I CALLED she was not there but flying and after the death of my mom at my family reunion at lake minnetonka.*
