“ Mimi was my second mom since I was 3. She gave me the best friend a person could have for life. She was loved by many and will be missed. I have so many memories of good times with my second family. I probably spent more time with the Klapkas than with my own family growing up. My heart is heavy with the sadness I feel remembering back on all those years. But, if it wasn't for Mimi I would not have these memories and I am grateful for that. I love you Mimi.
