“ I worked with Nancy from 1970 to 1982 at Middle Atlantic Conference. We often ate lunch together and I remember her as smart, funny and beautiful. I loved her NY accent. I left MAC because I got married and moved to FL. My mother lived in FL and so I asked Nancy to go with me to pick out my wedding dress. She was my mother for the day! We both cried when I found the right one. She was a dear friend and I know that her friends and family will miss her. Love Donna###imported-begin##Donna Swain Parker###imported-end##

“ Goodbye dear friend. I will miss you more than I can even say. You brought joy to all that were lucky enough to know you and your friendship was one of my greatest gifts. I always thank God for you being a part of my life and I'll see you again. May you find your Dad in heaven. You always knew you would. I will always keep you in my heart. Reggie, I know you lost your best friend and life will be so different without her but I hope you are able to find some peace in the memories you made together. May you now turn to your friends for comfort. We will be there for you. I guess now I'll be sending you all the cards. Much love, Cheryl###imported-begin##Cheryl Nelson`###imported-end##

“ Reggie, We don't have to tell you how fond we were of Nancy. We loved her dearly and will miss her so much. She was a real insperation to everyone who knew her an the light of the alley. You really can't speak of her without remembering her great stories, so many laughs she did provide. Words can not describe how sad we are for you and your family. Her dear boys and grandchildren who she loved so much, so our prayers go with each one of you during this difficult time. We know God will lift and comfort you always. May God bless. “ Nancy,

We will miss you. We cherish our times at the family reunions. Jane already misses the days for shopping and fun with you.

Reggie, We LOVE you and lift you up in our prayers during this time.

Nothing like Reggie and Nancy for a good sandwich in a grocery store parking lot.

Love
