“ *I loved Aunt Jean and can remember all the good times growing up as a child the days of crabbing and get togethers our families did. We did not have a lot but we laughed often. Aunt Rainy, Aunt Betty, Mom and Aunt Jean seldom did you see one without the other. They are all together now laughing and enjoying each other in heaven. I will miss her and wish I could have said good bye. Steve I know how you feel we cousins have all lost our parents and it is an emptiness that time helps but never fills the void. If you need a good listerner I am there just a phone call away.###imported-begin##Freyae, Van and Timmy Jones###imported-end##*
