

## Dr. Nelson Perez Trujillo

January 11, 1938 - February 12, 2017

Nelson Perez Trujillo, M.D., beloved husband of Margaret Elizabeth Trujillo, died on February 12, 2017, in Easton, MD.

A funeral liturgy will be celebrated on Tuesday, February 21, 2017, at 10:30 AM at Sts. Peter and Paul Catholic Church, 1210 S. Washington St., Easton, MD 21601. Interment will follow in Oxford Cemetery, Oxford, MD.

In lieu of flowers, please send memorial contributions to [Giving.alpha.org](http://Giving.alpha.org) in memory of Dr. Trujillo.  
of Oxford.

Dr. Nelson Trujillo, a beloved colleague, friend, husband, father, and grandfather, held a fierce love for his lifelong work as a physician.

A veteran of the United States Army, he received the Army Commendation Medal and served as Assistant Chief of Gastroenterology at Walter Reed Army Hospital. Following his military career, Dr. Trujillo established himself in private practice in Washington, DC, where he continued to care for patients for more than 40 years while also serving as a Medical Consultant to the Department of State and the White House.

Dr. T., as he liked to be called, believed in healing not just the body but also

the heart and soul and pursued a licensure in acupuncture becoming one of the only local specialists who could perform acupuncture as a complement to standard treatment. He believed in the power of prayer, not only for his patients but anyone seeking physical, emotional, and spiritual healing.

Throughout his career, he was noted for his leadership not only in the local medical community but also nationally.

In his retirement, Dr. Trujillo was active in "Volunteers In Medicine" Hilton Head SC, and was able to devote more time to his other passions in life, his beloved wife, Beth, their six children and 14 grandchildren. Of course, golfing and cooking cuisine from his home country of Cuba for family and friends were his top priorities.

Beloved Husband, Father and Grandfather passed away on Sunday, February 12th. He had a profound presence in our lives and will be forever missed.

“ *My condolences to Doctor Trujillo's family. The doctor provided me with grand medical service whenever I had complicated health conditions ; additionally, he was distinctly outgoing and personable for he always intervened at the conclusion of OV conferences expressing interest in my engaging in unusual and continued sports activities in my advancing years.*

“ Dear Margaret and family,

*I was saddened to hear of Nelson's passing. Notice of his passing was included in the intercessions during mass this weekend at Annunciation. I'll always have fond memories of Dr. Trujillo as a kind, wise man from our time on the pastoral council together.*

*With sympathy,*

“ Nelson, Gloria, Jennifer and family,

*I was so sorry to read of your Father's passing.  
I continue to remember your Father as such a very kind, thoughtful and generous person  
both in his professional and private life. He made a difference to so many people.*

*Please know You are in my thoughts and prayers.*

*Sincerely,

“ *My name is Cynthia Young and I was a patient of Dr. Trujillo for several years. He diagnosed and treated me with traditional medicine and acupuncture. I felt so at ease with him because of his calming nature. To say nothing about how he would hum and sing while he examined me. He came highly recommended to me and truly lived up to his excellent reputation. His family has my deepest sympathy.*

“ *Dear Beth and family, I am out of the area and will not be able to attend the Liturgy. Although our paths have not crossed in the past decade, I remember how tirelessly Nelson and our NCRIC group fought to get the company going, He was a true leader and a superb physician. Thanks to him, we continue to have professional liability coverage in the Washington area. I send my sincere condolences on the passing of Nelson who was responsible for the good health of so many individuals and who guided NCRIC to fruition.*

*With love and remembrance,*

*I, along with my wife was a patient of Dr. Trujillo's for about 30 years. Even in 2002 when I retired to Easton, Md. I would still make trips to Washington at least once a year to see him for my annual physical. He was without a doubt the best doctor I have ever known. Dr. Trujillo had a vast amount of knowledge and shared it in healing his patients and usually had a solution for an ailment. I have missed his services during the last couple of years and know that many others have and will continue to miss him. I send my deepest condolences to his, wife, children, grandchildren and all other family members.*
