“ Please watch over kyle now Nicky! I cannot believe I'm having to live through another loss like this. You and kyle were the two most important men in my life! When you left us, I never thought I'd love ever again, and then I met kyle. He saved me from a dark place when I lost you nick, so losing him now too has destroyed me and the kids. I miss you both so badly 😭

“ Nick, I think about you everyday, today being one of the more difficult days for sure. I woke up with you on my mind, and the tears began to fall. I miss you so so very much. I hurt so much, just wishing I could have even one more day with you and our daughter, together again as a family. I look for signs to see if your with us constantly. I never thought it would be this hard to walk thru life without you by our side. I miss your touch, your sweet kisses, your smile, I miss it all so much. Life will never be the same without your love nick. Till we meet again, rest peacefully my sweet love! We love and miss you daddy! Xoxoxo

“ Eddie & Joanne SO sorry for your loss.

I loved Nicky like family and glad I got to spend some quiet times with him at the boat and at home. I enjoyed our talks. He was a genuine and loving young man and had a helluva sense of humor. He will certainly be missed by us all but he is now at peace from this crazy life. Much love, Al, Bobby, Matt and Phoebe RIP NICKY
