Tribute Wall

“ *Where to start.. Noble was a man of honor. I will always remember and consider him as one of my closest friends. He would do anything to help anyone. We lived next door to each other for a number of years in Newcomb. He had a sense of humor that was so funny. A trickster. That went both ways. I think of him often to this day. We miss you our good friend.*

“ Noble~

"Having honorable qualities; having moral eminence and freedom from anything petty, mean or dubious in conduct and character."

This was the man I knew...one of kind words; kind thoughts and kind deeds.

The world has lost a good man in this one. God has gain a faithful servant.

God speed my dear Mr. Noble and thank you for your service to humanity.##imported-begin##Debbie Langrell##imported-end##
