“ Nora was a blessing beyond measure. She had one of the noblest professions being a teacher, and working with the most impressionable, the young. An angel was needed in heaven, and it is no surprise that the Angels descended from Above to escort our beloved Nora in.... I'm so sorry that she is no longer with us, but I know we will see her again, through the Pearly Gates. Megan and Stephanie, always know that you have many to stand in the gap where needed. “It Take a Village”, and your cheer moms are always willing and waiting. We love you... Bertha

“ Nora was such an adorable woman, always welcoming, always something fun to add, and the first person I knew that bought a new VW Beetle and actually used the little dashboard vase for flowers. She made me smile whenever I'd see her. So so sorry to hear...

Even in times of sadness there are rays of celebration - thinking of Nora and first period high school gym class brought a smile to my face. I am sure that she continued to bring smiles throughout her life and will be sorely missed.

“ *Nora you will be so missed. You were always a caring and loving Lady and I will miss your smile. You gave me several hugs and always asked about my husband when he was sick and yet I never knew you were sick. God has you in his arms and I will be praying for your family as I know they are heartbroken as all of us at KIES are. I know that God has raised you up on eagles wings and we will meet again one day my friend. Prayers and sympathy to your husband and girls. They will be in my thoughts as you will be.* Vera Wolski
