“ I am so saddened that Nora has left us. She was a bright star and ornery family member at the Queen Anne's County Department of Health. She left us with so many fond memories and wonderful smiles. I can still hear her laughter in the halls. I can assure you though.....on the day she crossed over, she 'strutted her stuff' right on up to the pearly gates' and announced her arrival when she got there. She told them she WAS all that, they better have her place ready because all was right with heaven as THE Nora Wilson Wright has arrived! Hope heaven was ready for this sweet, hot mess! Gosh, I loved me some Nora!

Much love to the family...

So well put, Laurie. Nora was truly one of a kind. As my mother used to say "they broke the mold" after Nora was created. Peace to her and all those that loved her.

*To the family: I am very saddened to learn the passing of Nora. I worked for the County Commissioners and she was at the Health Department. There wasn't a time that I didn't see her that we didn't hug one another. She was a great friend and will be missed by many. My prayers and many blessings are with your family at this time. God Bless each and everyone. Lynda H. Palmatary, Centreville.*
