“ *We always enjoyed Mrs. Dias & the family, & were sorry to read of her death. She was an amazing woman. She told one time of her parents hiding her in a hole so Japanese occupiers wouldn't find her when she was 2-4 years old. You all are in our thoughts & prayers.*

*I did not have the pleasure of meeting your mom but Scott has told me so many stories of when your mom babysat him and remembers how great of a cook she was he constantly talked of her lumpia and pancit. We are truly sorry for your loss and pray God be with you all I've recently lost my mother so I can relate the loss of a mom leaves a void no one can replace. Thinking of your family during this difficult time.*

“ *I spent a lot of time at Mrs. Dias' house in my youth. I was friends with her baby girl, Pilipina. Norma was a spectacularly great person, awesome cook, and a phenomenal Mom. This is evidenced by how much she has been looked up to by Pilipina. She is going to be so lost without you in the physical world. You are now her heavenly angel. Rest in Paradise Ms. Norma. My condolences to her family.*

*My mother worked with her sewing.*

“ Norma and my mother were such good friends. I have so many memories of growing up around Norma's children. If there is any truth to what waits beyond for us, Norma and my mom are hanging out and chatting, probably laughing at all of us. My deepest condolences to the family.

“ Spent many days watching Mrs. Norma and my mother sewing hours and hours together. Between sewing, I can remember there was always something she was cooking. She WAS an amazing woman with a BIG heart. She will definitely be missed. Pilipina and Francisco, hugs to you! Time will never heal the pain of losing your mama, but you two have her heart within you. Love you both.

“ I remember Ms. Norma from many years ago when I was her case manager/social worker. She was determined to move from the nursing home to an assisted living home in Grasonville. And, she did!! May she Rest In Peace! To her family- I am so sorry for your loss.
