“ All of you are in my thoughts and prayers! I think of Mrs. Minnick every time I see the little stuffed identical dog she gave me when she was able to take her little dog back home and take care of her. That little identical stuffed dog is still sitting on my couch looking at me every day! Love and blessings on all of you!

“ Norma was my first sister in law and I looked up to her. I'll never forget that she and my brother gave me a 16th birthday party at their house. They invited all my friends (boys too) ! That was a big deal in those days. I remember dancing with my dad to the song "Sixteen Candles". I will remember Norma fondly.

Gene&Linda, Sara, thank you so much. You guys hold a special place in my heart through your faith and support. Your commenting here means more than you know. It is hard for me to honor mom's request for no memorial service.
