“ *Dear Family and friends,
Norma was always a special woman who was easy to know, and it was a pleasure to do so, as she had a wonderful sense of humor. She was a very loving person and cared about the people she loved.
She was the little sister of our sister -in-law, Blanche, and she made us feel like family to her as well.##imported-begin##Liz and Jay White##imported-end##*

“ Norma: you will be deeply missed, all your famous recipes, availability to talk during the day or evening about life, relationships and family, family gatherings, drinking coffee on the back porch and watching you file and paint your nails....what wonderful memories to keep in my heart and hold forever. Life right now does not seem the same without you, however we all know you are home, in heaven with the LORD. NO more pain, no more suffering, no more radiation treatments. The journey has ended here on earth but the journey of eternal life with the LORD has just begun, what a smile that brings to my face! Thank You for accepting me into your family with open arms and sharing your wonderful grandson who is my husband today. You may have danced your last dance with Danny at our wedding 3 weeks ago, but now your dancing with the LORD forever! I LOVE YOU!###imported-begin###Anne Hall ###imported-end##

“ Just think of stepping on shore & finding it heaven! Of touching a hand & finding it God's. Of breathing new air & finding it celestial. Of waking up in glory & finding it home.

On day you will be reunited with your mom. What a wonderful promise to all who trust Jesus as their personal savior.##imported-begin##Debbie Padgett Haugh##imported-end##
