“ Hello, my name is Bill Hulick. I grew up in Crafton, Pennsylvania and I have an old picture of myself in my basketball team from eighth grade high school and grade school rather and it shows a picture of the team and our coach was the norm Ambrose who was also a quarterback from Crafton high school cougars in 1960. I just wondered if it was the same guy and I just thought I'd send this and wish my condolences. He was a great guy and we really had a nice time that year. I know it was a long time ago, but I'm also gonna try and send this picture that might bring back some memories. Thanks and have a great day. Take care
