“ *Norm was someone my husband and I got to know three years ago and we stayed in touch with him over the years. We enjoyed getting to know both of them and are deeply sorry for Cindy and her family's loss. Norm was a kind, intelligent and thoughtful person who I'm sure will be missed by all who knew him.*

“ *Norm and I worked side by side for several years until he retired from General Motors Truck and Bus in Pontiac. Norm and I shared our interest in history. We talked about Norm's connection to Stephen R. Mallory, who was the Confederate Secretary of the Navy. We talked about our mutual connection to the Crane family. My branch was in the North while Norm's went South. I picked him up for work a couple of times from the Ortonville house. After we both had retired, I had a heart attack in 2004. Norm drove up to Millington, Michigan, to visit me. I appreciate that. Norm was a good engineer and friend. I was sad to hear of his passing. I'm grateful for my memories of our friendship.*
