“ Norma: You probably do not remember me -- I graduated with you from KCHS and I've thought of you many times over the years. I was very sorry to hear about your Dad. Just wanted you to know I was thinking of you. Lori Campbell (Clark) Class of 1972##imported-begin##Lori Campbell##imported-end##

“ I remember Mr. Fox as I grew up living across the road from their farm. I also remember his Father and Mother where my Dad and I would go for blacksmith services.
