“ My sincere condolences to your family. I was Olivia’s roommate at the cottage at Char Hope. Although, I was much older than she, we bonded and had a lot of fun together on the farm. She was loved by all who met her through CHF and the surrounding women and supporters. Please know that she will always be in our hearts up here in Harford County. We are planning a time for CHF to gather in remembrance of Olivia. I will continue to pray for her and her entire family!

Peace and comfort,

“ My heart is with the entire McKewen and Ortt family. Olivia was such a bright light, with the most wonderful sense of humor. She was a gentle soul with just the right amount of spunk, and she brought warmth and joy everywhere she went. I will always cherish the memories we shared — from family trips and sleepovers to crew days, and especially the moments spent laughing and gossiping with her amazing mom.

*My heart aches for all of you and for Olivia. I had just spoken with her and we were making plans to get lunch, and I was so excited. This loss is truly unimaginable. Please know you are surrounded by so much love and prayer. May you find comfort, even in the hardest moments, in the beautiful memories of Olivia and the light she brought into this world.*
