

Olivia Ann Miller

April 25, 1991 - August 28, 2016

IN HONOR OF OLIVIA ANN MILLER OF CENTREVILLE, MARYLAND

Like so many young people in Maryland today, our Olivia struggled with addiction. Her parents tried on numerous occasions to help her and get her admitted into a treatment facility. Unfortunately, on August 28, 2016, we found out that we were unsuccessful again and now have to bury our beautiful daughter.

Olivia was born April 25, 1991 in Harrisburg, PA on a beautiful, sunny but chilly day. She was a happy child who liked to sing and write poetry. She enjoyed fishing with her best friend, her Dad and bring home any insects she could catch including cicadas and ladybugs. Olivia participated in many school plays and musicals and was a good student. She graduated from Queen Anne's County High School in 2009. She made many great friends and will be missed by all, but most of all by her father and mother, Jonathan and Lorraine, and her three siblings, Nadia, Talia, and Sammy. What most people do in 80 + years, Olivia did it in 25 years. We love you, our sweet ladybug

“ *What a beautiful tribute to your child. I do not know your family, but I have read too many young adults names on this site and others because of addiction. I feel for you and know that there are many of us parents who cry when they read these words of grief. I am one of the lucky ones, as of this moment, whose adult child is recovering. We need to remember that these young people were bright, happy children and no one saw this terrible blight coming. "Not my child", to these people I say, never say never. Know that your family will be in my thoughts with many others like yours. I'm lighting a green candle because the color green is a symbol for forever.*

“ *Dear Olivia, I know we lost touch I wish we hadn't I was there for you when you were going through hard times and no place to go and welcomed you in my home with my husband and children. You were like raising another child lol very messy but I didn't mind. We were in class together trying to fight battles together then I had to move. I'm sorry I'm really gonna miss you I wish I could have stuck around more to help you. You were a awesome friend and roommate and my kids loved you. You will me missed by many. I love you girl !*

So Young, So beautiful, So soon and so Sad that it is happening so often and so why are so many in this younger generation doing this to themselves after seeing and hearing about it every day. So very sorry for your loss.
