“ *Aunt Opel, by choice if not by birth. You were such a great friend/sister to my Mom, " Ginger Henning", for over 35 years. I will always remember you laugh and great sense of humor. How you loved your pets. That you baked the very best cakes and always had a coconut cake ready for my visit. You certainly will be missed. lots of love. Lynn Canary*

*Thank you for being their for Aunt Opal my heart goes out to your mom and you' know you loved her too and i'm glad you all were close and you were her family there .It makes me feel good knowing she had people in Maryland that loved her. Sorry we couldn't be there but know it broke my heart not to be there.*

“Opal was more than just a relative I knew growing up. She was a great Aunt, role model, and a genuine good person. She was full of life and energy, and the first to roll up her sleeves when something needed to be done. You have gone to a better place my friend, to be with those who have gone before. Say hello to my Dad "Bob", my Uncle Bill. I miss and love you all very much! We will be together again soon.

“Aunt Opal was a very special person, I looked up to her. She showed me at a young age, that I would have to work hard, if I wanted anything out of life. I most remember how she was full of life, her energy, and laughter, I will miss her dearly, Maryland was where her heart was, but when she left Indiana, she took a part of our hearts with her.

“Aunt Opal was a bright, cheerful face in an otherwise dark world for me. I remember as a child when she came to visit how happy and outspoken she was and how she didn't mind telling anyone exactly how she felt. I'm sorry that as I got older, I didn't get to see her more often, but I will always remember her with a smile. Phil Amick

“ I would like to send my condolences to you for your loss. I know this is a difficult time for your loved ones, but the bible gives us comfort in assuring us that one day sickness, pain and death will no more. (Revelations 21:3-4) The Bible also comforts us in knowing our loved ones are no longer suffering but are in a sleep-like state.(John 11:11-14, 23-26) I hope these scriptures will be encouraging for you and bring you comfort throughout your day.
