

Paramjit Singh

June 13, 1940 - February 13, 2022

Our beloved Paramjit Singh passed away on Sunday, February 13, 2022, at 2:47 a.m.

He was a loving husband, father, grandfather, brother, uncle, and friend, and we all adored him. He was a brave man for immigrating to the US in 1969, recently married and with an infant son. He was intelligent, earning a degree in Mechanical Engineering in India and later an MBA from Temple University not long after arriving in this country. He was hard-working and dedicated, working his way up at Dixon Valve & Coupling Co. from the shop floor to Vice President of Engineering over a 30+ year career.

He was kind-hearted, as he fiercely loved his family, from his wife, to his sons, to his grandchildren, to his brothers and sisters (he was #3 out of 9 children), even down to his nieces and nephews who will all attest that he was a second father to them since he loved them as if they were his own. He could be serious when necessary, but also playful and really funny with a great sense of humor. He stood as a mentor to many and loved to pass on his knowledge as a teacher of math and engineering. He stood as a pillar in his family.

Paramjit enjoyed playing tennis, was a master tabla player, enjoyed reading immensely, and was a constant seeker of knowledge and wisdom. He had a magical smile and warm heart and always showed kindness and affection for

those who were in his life. His wife was with him in his final moments which brings some comfort, as he was not alone and was in her loving arms. He will be greatly missed by all who had the great pleasure of knowing him.

In lieu of flowers, donations can be made in his name to the following: Kent County Food Pantry at kentfoodpantry.org/donate or P.O. Box 346, Chestertown, MD 21620 or to the Kent and Queen Anne's Rescue Squad at 140 Morgnec Road, Chestertown, MD 21620.

“ Very sad to receive the devastating news that Paramjit veer jee is with us only in spirit now. How we long for one more word, one more touch, a hug and a smile from Paramjit. I first met him in July 1996 while he was visiting his brother Satyajit in Syracuse, NY. We stayed in touch ever since. A chance meeting turned into a deep family friendship. He made it easy as he was very outgoing, caring, kind and personable. Over time my wife Rajinder and i got to visit with Paramjit and Bindu in Chestertown and they visited with us in Syracuse. His kind memories will warm our hearts and we will cherish his memories as a treasure forever. May Waheguru embrace his soul and give the strength and peace to his family and friends to accept this loss.
